REVISOR'S NOTE: This section presently appears as Article 66C, section 761 (a) through (h), inclusive, of the Code. The nomenclatural changes are made in light of Chapter 348, Acts of 1972. In subsection (a) the clause relating to "portions of streams, tributaries" is expanded to include "rivers" in order to maintain consistency with the preceding clause. The only other changes made are in style.
